Kennebec County Public Safety	Fiber Connection	To pay for a redundant path under the Kennebec river for a fiber optic network. The Kennebec Sheriff's Office, Augusta Police Dept. and Maine State Police use a leased fiber optic network for communication. The communication network has a vulnerable single point of failure where it passes over the Kennebec River on the Calumet Bridge.	\$ -	\$ -	\$ -
Kennebec Valley Council of Governments	Kennebec Valley Solid Waste Initiative	To make improvements to the existing solid waste programs to better manage recycled materials and yield a financial return. The funds will also be used to perform outreach, host education sessions, and partner with local organizations to raise awareness about the various solid waste programs and recycling initiatives available to the public.	\$ 40,001	\$ (40,001)	\$ -
Kennebec Valley Family Dentistry	Expansion of Kennebec Valley Family Dentistry, a nonprofit safety-net dental clinic	To increase capacity by expanding into the additional 3,381 sq. ft. of "raw" space that's adjacent to the existing clinic. The expansion will allow for an additional five dental operatories, supplementing the eight they currently have, as well as other office/workspaces. KVFD's mission is to provide affordable, quality dental care to MaineCare, limited income, underinsured, and uninsured children and adults in Kennebec County, where there is limited access to dental services, particularly for MaineCare patients.	\$ 603,000	\$ (603,000)	\$ -
Kennebec Valley Humane Society	Sustaining Local Animal Welfare	The funds will cover two areas: sustaining a local workforce and addressing the challenges the pandemic has caused for the organization. The funds will be used to help pay operational costs including: 1) salaries for one year and 2) purchasing equipment that supports the services Kennebec Valley Humane Society provides to animals.	\$ 100,000	\$ (100,000)	\$ -
Kennebec Valley YMCA	Expanded Child Care Services for Young Children	To fund the expansion of the "Y's" childcare program capacity by building a 2,000 square foot addition onto the existing facility at 31 Union Street in Augusta. This will allow the program to add 35 new childcare slots to its Learning Center program for young children ages six weeks to five-years, a 47% increase in capacity. The new addition will be a single-story construction with three classrooms equipped with bathrooms and storage closets. The Y will also use the funds to purchase the materials and supplies needed to operate the new classrooms.	\$ 4,150	\$ (4,150)	\$ -

Kennebec Water District	Ticonic Bridge Water Main (Revised)	The Maine Department of Transportation (MDOT) is replacing the Ticonic Bridge between Waterville in Winslow. As indicated in our application, the Kennebec Water District (KWD) has a water main on the existing bridge. KWD and our consultant, Wright-Pierce Engineers, submitted our final pipeline design to the HNTB (MDOT's design firm) in May 2022. We are now waiting for MDOT to put the entire project out to bid. (revised)	\$ 500,000	\$ (500,000)	\$ -
Literacy Volunteers of Greater Augusta	Address educational needs of disparate populations	To support operational needs and program development. Funds received will be used to maintain the physical space (rent, utilities). Funds will also be used for the Executive Director's salary who will be required to work additional hours to support the expanded program. Lastly, funds will be used to purchase more tablets for learners, and to support family literacy efforts.	\$ 7,800	\$ (7,800)	\$ -
Maine Children's Home for Little Wonders	Pandemic Response & Awareness Training and Clinical Supports for Communities & Families	To support increased work with families and their children through the Counseling program. A portion of funds will support families struggling with copays, families with no insurance, and families with high deductible plans. A portion of funds will support training and education programs for the community. A portion of funds will support work in schools, and provide training, education and support to educators dealing with children's mental health issues. The funds will also support the salaries of staff.	\$ 200,000	\$ (200,000)	\$ -
MaineGeneral Community Care	MaineGeneral Women's Residential Facility Support	The MaineGeneral's Women's Residential Facility is home to 16 residents who are in different phases of long-term substance abuse and alcoholism treatment. When someone graduates, another person is brought into the program. Women enrolled in the program are commonly referred from the Kennebec County Jail, MaineGeneral's Intensive Outpatient Program, and MaineGeneral's inpatient unit. The facility continuously operates at full capacity with a waiting list of 15 – 20 women. Funds will also support activities for the residents and their children.	\$ 40,000	\$ (40,000)	\$ -
MaineGeneral Med CTR	School Based Vaccination Clinics	To help MaineGeneral Medical Center (MGMC) cover the costs of labor and supplies (\$55,000) and purchase a new transport vehicle (\$45,000) for school-based vaccination clinics.	\$ 55,000	\$ (55,000)	\$ -
MaineGeneral Medical Center	MaineGeneral Harm Reduction Program (HRP)	This application will directly support MaineGeneral's Harm Reduction Program (HRP), which provides assistance to individuals in the local community who use substances. The HRP has served 373 unique members in 2022 to date, which is the highest since its inception in 2005. The County's ARPA funds would support supplies, travel and staff time to continue running the HRP. Inflation has increased the cost of supplies (naloxone/Narcan, sharps dispensers, alcohol prep pads, triple antibiotic, food bags, hygiene products, etc.) at a rate that cannot be matched with current funding.	\$ 173,032	\$ (173,032)	\$ -

Mid-Maine Homeless Shelter & Services	Expansion of Emergency Shelter	Kennebec County has seen a significant rise in homelessness over the past two years. MMHSS proposes to develop a new, purpose-built family shelter along with permanent supportive housing (PSH) for seniors. The funds will be used to help purchase a building MMHSS identified that will provide emergency shelter to 6 families, and create approximately 8 permanent supportive housing units for seniors.	\$ 200,000	\$ (200,000)	\$ -
North River Company (for Profit)	Lockwood Mill	To renovate the Lockwood Mill in downtown Waterville to include 65 residential units, 47 of which will be affordable. The remaining 18 units will be market rate.	\$ 985,765	\$ (985,765)	\$ -
Regional School Unit 11	Radio Communications Systems Upgrade	To replace the current radios with more reliable units and to add a “repeater” for dedicated district use. The application of a repeater will increase the range of the radio units and improve communications reliability. The radios will be used by school administrators, nurses, social workers, Ed Techs, etc.	\$ 89,702	\$ (89,702)	\$ -
The Voices Project	Maine Recovery Voices Project	Project objectives include educating the community about the Good Samaritan law, supporting young people impacted by addiction, and launching a county-wide naloxone distribution and overdose prevention education network. The funds requested will focus on sustaining and expanding the nonprofit organization's substance abuse and recovery work in Kennebec County by hiring staff, expanding the organization's data collection capabilities, and covering basic overhead expenses of the entity's office (rent, utilities, etc.).	\$ 408,891	\$ (408,891)	\$ -
Town of Clinton	Water Storage Tank	To repair and improve the Town of Clinton's 42 year old water storage tank to avoid a catastrophic failure of this critical centerpiece of the drinking water system for nearly 488 residential and commercial accounts.	\$ 445,500	\$ (445,500)	\$ -
Town of Oakland	Lower Oak Street/ Railroad Street Sanitary Sewer Replacement Project	This project will include a full replacement of the sanitary sewer piping and services for both Lower Oak Street and Railroad Avenue. These two streets have been identified as significant contributors of groundwater infiltration into the sewer collection system. These pipe segments are currently predominately old clay pipe, which are in poor condition.	\$ 500,000	\$ (500,000)	\$ -
Waterville Manor Gardens	Housing Development in Waterville	The funds will aid in the cost of the Manor Gardens housing development in the North End of Waterville. This development will add 36 affordable living units. The \$337,000 will match the personal cash funds that the applicant has put into the project.	\$ 337,000	\$ (337,000)	\$ -
Waterville Sewer District	Hayde Brook & Mesalonskee Interceptor Inspection & Cleaning	The Waterville Sewerage District owns two significant sewer main interceptors. These are critical systems and a pipe failure in either interceptor would be catastrophic. The interceptors are overdue for inspections and cleanings. This project is beyond the ability of the District's equipment and personnel, so the funds will be used to hire Vortex Services (Formerly Ted Berry) to complete the work.	\$ 75,250	\$ (75,250)	\$ -
